# OUR PRIORITIES CUSTOMER CARE REALIABILITY AND PROFESSIONALISM.

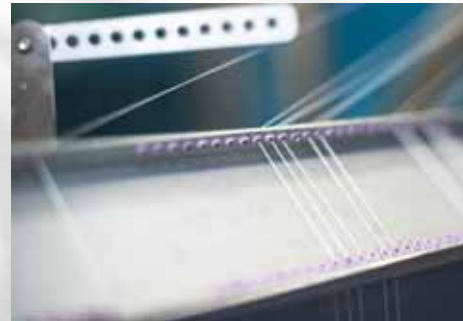

## Who we are

A family business with the goal of developing sleeping solutions able to grant the pleasure of an healthy relaxing sleep for an awakening full of energy. Our production, 100% Made in Italy, comes from more than **50 years'** experience in the field of sleeping tools (mattress, pillows etc.). During those years, professionalism and know how have grown but passion is still high as day one.

## Mission

ARTESOGNO or "Arte" del "Sogno" for us means daily commitment in making products expressing excellence, to reach the goal we select the best materials (all CFC free) that we couple to exalt their characteristics and performances. We only work with certified raw materials producers and we make unique products environmentally friendly and harmless for humans.
